Mandideep, Dist. Raisen

The company has fully automated state of the art machineries to manufacture the products with high quality and durability.

ABOUT US

Shubham Industries is a leading manufacturer of corrugated boxes in India, Incepted in the year 2020 with a vision to provide world class product to its customers. With over 3 years of experience in the Packaging industry, we have built a reputation for providing **high-quality, durable, and cost-effective** packaging solution to a wide range of industries. The company has **fully automated** state of the art **manufacturing plant** with latest machinery to manufacture high-quality products and to deliver excellent value to the customer while operating in a manner that maintains the integrity of the environment.

The plant is located at the heart of India in the state of **Madhya Pradesh near its capital Bhopal**. With more than 100000 sq.ft. working area, we are capable to serve our customers with the stipulated lead time. Since we are located at the heart of the nation, we are capable to cater variety of clients within a periphery of 600 kilometers.

Before dispatch of our finished goods, our products go through various in-house quality checks in our state of the art **Quality Laboratory**. During manufacturing process, we ensure to conform with the customer provided specifications containing various technical parameters, since these boxes are used to fulfill several packaging needs & their conformity with given specifications is a must. **Shubham Industries** is backed up by comprehensive infrastructure and skilled work force, and is capable of making the offered range of excellent quality products for our revered clients.

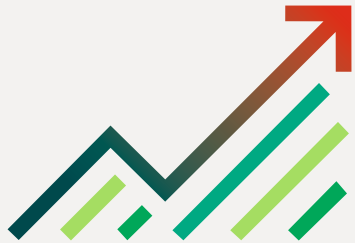

Shubham Industries is owned by its promoters having thorough exposure of more than **20 years in the manufacturing & dealing of corrugated packaging materials in B2B segment**. Our Promoters are having high quality conscious approach, which inspires plant team to meet customer expectations by delivering best Quality product on a daily basis.

At Shubham Industries we are committed to provide our customers with the best possible service at a reasonable cost. Our team of experienced professionals is deployed in meeting customer's specific needs and requirements. We offer a wide range of corrugated box styles and sizes, as well as custom printing and finishing options. We have a **production capacity of 4000 Metric Ton per month**.

Shubham Industries takes it as a challenge to prove its caliber everyday and continuously raises its standard to ensure a high degree of customer satisfaction.
